

Site Manager

Location: Melbourne

Start Date: ASAP

Based in Melbourne's Eastern Suburbs, Hannemann Building Group specialises in Commercial fit-out and refurbishment projects. We are a close-knit team of professionals who take pride in exceeding client expectations and delivering an exceptional quality of work on all projects.

Our company is growing quickly and we are looking for an experienced site manager to join us.

The ideal candidate will have:

- Demonstrated site management experience of fit-out projects up to \$3,000,000
- Good communication and project management skills
- Strong leadership and teamwork skills
- An understanding of relevant OH&S rules and regulations, and the ability to apply those to sites they are managing
- Great client management skills, and the ability to clearly understand and deliver on client objectives. This includes maintaining a well-presented, neat, and tidy site.
- An enthusiastic, positive and solution-focused attitude

Why work for Hannemann Building Group

Hannemann Building Group is growing fast. This is an exceptional opportunity to join us in our early stages, and secure a key role that is pivotal to the growth of our organisation.

The successful candidate will benefit from:

- Positive workplace culture built on mutual respect and teamwork
- Excellent career progression opportunities with annual development reviews
- Exciting and varied projects being built all around Melbourne, varying from corporate and government office fit-outs, to health and education projects.
- A professional and supportive team made up of building industry professionals.
